Coaching staff will provide a variety of training methods, including kicking, stroke technique work, and aerobic conditioning. Another focus will be learning to race and having fun while racing. Coaches will also teach how to approach the various races in a swim meet.

Group placement is always at the coach's discretion. If you are not sure if your swimmer is ready for Rookies or what level your swimmer should be in, one of the coaches can evaluate him/her at practice.

Please follow the instructions to set up a password to be able to log-in to your account. You must declare whether you will be attending or not attending each meet through our Team Unify website. You will receive an email when each meet is open for declaration and the deadline for declaration. If you do not plan on attending a meet, you must declare NO on the TU website. **If you do not declare yes or no by the deadline, you will be automatically declared NO.**

PARENT & ATHLETE HANDBOOK

The Marlins Parent & Athlete Handbook is an excellent resource for new swim families and a refresher for returning families. It includes important meet information including how to sign up for meets, what to bring, and what to expect and much more information about what to expect from being part of the team. The handbook is available on the Marlins Team Unify website and during online registration, you must acknowledge that you have access to it. If you need a hard copy, please email montclaireswimclub@yahoo.com.

VOLUNTEERS

To ensure our host meets run smoothly, ALL families are needed to volunteer to work one shift each meet their swimmer/swimmers attend. Job sign-ups will be posted on the Team Unify website. However, if all positions are not filled before the deadline, to ensure we have enough volunteers to run each meet, we will assign any open positions. The best way to ensure you receive your preferred position is to sign up ASAP on the website. More detail about volunteers is available in the Handbook.

CONCESSIONS

Our home meets will utilize the Montclair Pool Swim Club staff to sell concessions. Each family is asked to supply 1 case of bottled water before our first home meet to be provided to volunteers and coaches. Please label 'Swim Team' and bring to the pool prior to our first home meet. The water can be dropped off anytime at the pool office during regular hours or during practice.

TEAM SUITS

Team suits will be available for purchase through B&B.

SWISA CONFERENCE

Our club is a member of the Southwestern Illinois Swimming Association (SWISA). We will compete in four dual meets and other SWISA events throughout the summer. SWISA events may include the Novice Meet, Relay Meet, JV Championship meet and the SWISA Championship meet. Your child will need to participate in two meets in order to be eligible for the SWISA Championship meet. Please note: We are the host for the Novice Meet and two dual meets this year.
